# Mohammad Masoomi Homayoun

Software Developer

Eindhoven, North Brabant, Netherlands

## Summary

I am a java developer. Besides, I am an easy-going person and have a sense of humor. Most of the time, I prefer to be at peace with the world. The others say I am on time for appointments and deadlines. Exploring the world and learning new things makes me feel excited and lively.

## Experience

APS Group

Software Engineer

August 2023 - Present (1 year 1 month)
